RGA Leaders Of Tomorrow Program to Showcase Industry's Rising Stars at 58th Annual IIS Global Insurance Forum

New York, New York – July 13, 2022: The 58th International Insurance Society (IIS) Global Insurance Forum is taking place virtually on Sept. 12-14, bringing together insurance executives and thought leaders from across the world to discuss the “Great Reset” of the global business agenda.

The IIS will recognize participants in the 2022 RGA Leaders of Tomorrow program, a perennial fixture at the event.

Reinsurance Group of America, Incorporated (RGA), a leading global life and health reinsurer, is a 2022 Global Insurance Forum Gold partner and the sponsor of the RGA Leaders of Tomorrow program. The program is designed to support a leadership trajectory for a select group of insurance professionals in an effort to attract and motivate key talent. Through mentorship from senior executives and access to their cross-sector networks, the program stimulates creative thinking on strategic issues, provides opportunities for deeper engagement across core business functions, and expands global peer connections.

"Developing future leaders is a key focus across the global insurance industry, so it is our responsibility to invest in talent," said Josh Landau, President of IIS. He adds, "recognizing this as a priority for our entire industry, we're proud to partner with RGA on the RGA Leaders of Tomorrow program, which nurtures and distinguishes those who have been identified as the industry's most promising professionals."

As part of the program, mentees publish and present original papers during a private session at the conference. While all candidates are considered future leaders, one candidate will be selected for the RGA Leaders of Tomorrow Award, and a select group of three candidates will be featured on a panel focusing on “Insights from Future Leaders on Industry Challenges and Opportunities” at the 2022 Global Insurance Forum before an audience of global industry executives.

Beyond the RGA Leaders of Tomorrow program, the 2022 Global Insurance Forum will offer insight from 40-plus executives and thought leaders on how the industry can leverage technology, mitigate risks, and safeguard resources.

For more information on the Global Insurance Forum or to register, please visit <https://www.theglobalinsuranceforum.org>. Registration is free and open to all.

About International Insurance Society

IIS serves as the inclusive voice of the industry, providing a platform for both private and public stakeholders to promote resilience, drive innovation, and stimulate the development of markets. The IIS membership is diverse and inclusive, with members hailing from mature and emerging markets representing all sectors of the re/insurance industry, academics, regulators and policymakers. As a non-advocative organization, the IIS serves as a neutral platform for active collaboration and examination of issues that shape the future of the global insurance industry. Its signature annual event, the Global Insurance Forum, is considered the premier industry conference and is attended by 500+ insurance leaders from around the globe.

Founded in 1965, the IIS is a 501(c) 3 not for profit organization based in New York, NY. IIS is an affiliate of The Institutes.

About The Institutes | Risk and Insurance Knowledge Group

As the industry's trusted and respected knowledge leader, The Institutes are committed to meeting the evolving professional development needs of risk management and insurance professionals through innovative research, networking, and career resources. The Institutes offers 28 designations, including the Chartered Property Casualty Underwriter (CPCU®). Other offerings include certificate and introductory programs, online and continuing education courses, leadership education, custom solutions and assessments, and industry consortiums such as the RiskBlock Alliance.
